Independent auditor's report to the members of

The Lord's Taverners Australia (Victorian Branch) Incorporated

Report on the financial report

We have audited the accompanying financial report, being a special purpose financial report, of The Lord's Taverners Australia (Victorian Branch) Incorporated (the entity), which comprises the balance sheet as at 30 June 2016, income statement, accompanying notes to the financial statements and statement on behalf of the Committee for the year ended 30 June 2016. It has been prepared for distribution to the members for the purpose of fulfilling the requirements of the Associations Incorporation Act 1981.

Committee's responsibility for the financial report

The Committee of the entity is responsible for the preparation of the financial report and have determined that the basis of preparation described in Note 1 to the financial statements, which forms part of the financial report, is appropriate to meet the needs of the members.

The Committee's responsibility also includes such internal control as they determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Practising Certificate No. 123456789

Basis for Qualified Auditor's Opinion

Cash from donations and other fundraising activities are a significant source of revenue for the entity. The entity's trustees have determined that it is impracticable to establish control over the collection of revenue from these sources prior to entry into its financial records. Accordingly, as the evidence available to us regarding revenue from cash donations and other fundraising activities was limited, our audit procedures with respect to revenue from these sources had to be restricted to the amounts recorded in the trustee's financial records. As a result, we are unable to express an opinion as to whether revenue from cash donations and other fundraising activities is complete.

Auditor's opinion

In our opinion, except for the effects on the financial report of such adjustments, if any, as might have been required had the limitation on our audit procedures referred to in the qualification paragraph not existed, the financial report of The Lord's Taverners Australia (Victorian Branch) Incorporated gives a true and fair view of the financial position of the Financial Report as at 30 June 2016 and its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements.

Basis of Accounting and Restriction on Distribution and Use

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist the entity to meet the financial reporting requirements of the members. As a result, the financial report may not be suitable for another purpose. Our report is intended solely for the members of The Lord's Taverners Australia (Victorian Branch) Incorporated.
